2017 Route and Parking Directions

Visitors Arriving from West and South

From the intersection of Routes 45 and 104, the western shuttle/parking lot is located two blocks west on Route 45. On the northern side, the lot is Wagner's Dentistry. There are two other overflow lots nearby. Please park as directed. Shuttle will arrive/depart approximately every 20 minutes.

Visitors Arriving from the East on Route 45

The eastern shuttle/parking lot in located in the parking lot of Harvest Bible Chapel. Turn north at the equipment rental location. As a point of reference, the turn off of Route 45 is across Route 45 from DC Coffee and Tea and the Decorating Center. Shuttle will arrive/depart approximately every 20 minutes.

Touring buses and school buses approaching Mifflinburg from the South and West will park in the western shuttle lot

For drop-off: upon arriving in Mifflinburg, proceed to Route 104, and turn east onto Market St. The pickup/drop-off location is at the corner of 6th and Market St. Upon delivering passengers, turn north (left) on 6th on block to Chestnut St. (Route 45). Turn left onto Chestnut and proceed to the western shuttle lot of Wagner's Dentistry. Generally, buses will be parking in the Watson Motors lot on the south side of Route 45. Please park as directed. Drivers may then use the shuttle to attend the festival.

Touring buses and school buses approaching Mifflinburg from the East will park in the eastern shuttle lot

For drop-off: upon arriving in Mifflinburg, turn left onto Line St, proceed one block to Market and turn right. The pickup/drop-off point will be on the right shortly before 4th Street. When leaving the pickup/drop-off point, turn left onto 4th Street, proceed two blocks to turn left onto Maple St. Proceed to a left onto East, then a right onto Market. One block to a left onto Line, then a right onto Chestnut. Parking will be at the Harvest Bible Chapel, on the left. (As a point of reference, the turn off of Route 45 is across Route 45 from DC Coffee and Tea and the Decorating Center.)
